

Florida Forever Project Evaluation Comparative Analysis, November 2022

NOTE: This table evaluates ONLY the remaining acres of projects according to the numerical performance measures listed. Other considerations such as willing sellers, active negotiations, completing projects, development threat, etc., are always part of any decision regarding project status. Please note that all values are assigned based on F-TRAC and single resource analyses without regard to Acquisition Categories.

Category*	Remaining Project Acres	Percent Complete	Project Name	Resources included in F-TRAC Scenarios										Resources and other Measures not included in F-TRAC Scenarios					
				F-TRAC Statewide	F-TRAC on FL Forever Projects	Species	Communities	Surface Waters	Wetlands & Floodplain	Forestry	Aquifer Recharge	Landscapes	Cultural Resources (Archaeol & Historic)	Trails Network	FL Nat'l Scenic Trail corridor	Population w/in 100 mi	Climate Change Sea Level Rise
